

TICKED OFF FOUNDATION

RECYCLE FOR LYME:

www.TickedOffFoundation.org/RecycleForLyme

Vitamin & Supplement Recycling Instructions:

COLLECT: At least **2 lbs.** of glass & plastic vitamin and supplement bottles (and their lids), as well as vitamin and supplement flexible packaging. In order to recycle their waste stream properly, please make sure all excess product has been removed (i.e. left over vitamins). Additionally, if you choose to rinse your product, please make sure it is completely dry before shipping. You cannot ship dripping packages. *See below what the accepted containers are ...*
